

TUCSON UNIFIED SCHOOL DISTRICT
BIBLIOGRAPHY OF CHICANO LITERATURE
ELEMENTARY LEVEL OF INTEREST

This special collection—more than four hundred volumes—of Chicano literature for TUSD students was established by the Bilingual Education and Hispanic Studies Department in 1998 at the Lee Instructional Resource Center (LIRC). The list below provides basic information, alphabetically by title, for books of particular interest to elementary teachers seeking to introduce students not only to mainstream authors writing about the American Latino experience but also to remarkable works by influential Chicano authors. Call LIRC at (520) 225-4783 for details about accessing the collection. Please note that the books listed here vary greatly in reading level.
